- **Mayo Clinic says** “Antibiotics do not help viral illnesses like colds, flu and most sore throats.” Yes, Chicken soup and other warm fluids can be soothing and loosen congestion. If you have a fever or bad cough stay home. This will give you a chance to rest and reduce the chance you will infect others.
- **Flu Season** is upon us. Due to this we will not be sharing peace by handshaking during this time. Please share God’s peace with a smile and genuine love, or an elbow bump. We will resume handshaking in April when the flu has lessened. Thank you for doing your part to decrease the spread of the flu and also keep members with compromised immune systems safe. God’s Peace and Smiles to all.

Any questions, contact Joel Rude at joelrude@mncable.net or Tim Numedahl at numedahl@mncable.net. **Current donations/Pledges: \$6,000.**
