Flu season is here. The Centers for Disease Control and Prevention recommends a three step approach to fighting the flu. 1. Most important is to get the flu vaccination, if appropriate, each year. 2. Early treatment is especially important for the elderly, very young, pregnant women and people with certain chronic health conditions. 3. Everyday preventive actions may slow the spread of germs; A. Wash hand frequently or use hand sanitizer B. Avoid touching your eyes, nose or mouth. C. When you are ill limit your contact with people and cover your nose & mouth when you cough or sneeze. Here is just a familiar boring reminder that this winter's enemy is just waiting to pounce on us. Fight Hard!

NO HANDSHAKING during the flu season. This will begin November 4th and continue thru the winter season.

OPERATION CHRISTMAS CHILD is a project of Samaritan's Purse, an international relief organization that provides children around the world with shoeboxes filled with small toys, hygiene items, and school supplies. These boxes are given to children affected by war, poverty, natural disaster, famine, and disease and to children on Native American reservations in the U.S.

We would like to encourage everyone to fill at least one. If you prefer, you may donate items. There are drop off boxes throughout the church for your items. Money donations are also welcomed to help with shipping cost or buy items to fill boxes. A small shoebox can have a big impact. What goes into the box is fun, but what comes out is eternal.
