A board certified dermatologist recommends using only sunscreen lotion as when using a spray you are uncertain where it all lands. You need to rub sunscreen thoroughly into your skin without missing spots.

An Onsite Defibrillator (AED) for use on someone with Sudden Cardiac Arrest continues to be available if needed/ It is located in the elevator alcove on the wall in the narthex. There is signage visible in the hall. Look for the sign in case you get asked to run for it. It is much like a fire extinguisher, you hope you do not need to use it but it is ready if needed.

**LWR QUILTING** Please come and join us for our Lutheran World Relief Workshop the 1st, 3rd, and 5th Thursdays of the month from 1- 4pm. Sewing quilts for Lutheran World Relief is our mission.
